

Friends of Music are looking for some new members!!

If you love music and helping out programs at Nute Middle High School, Friends of Music is for you! We meet every other month, or on an as needed basis, to plan out fundraisers and activities we can do with our bands and chorus. Our eventual goal is to get our groups back to traveling the country and getting Nute's name on the National level for festivals and other musical activities! In order for this to happen, we need more members. Please contact Ms. Bonnie Coveney (bonnie.coveney@sau64.org) for more information or if you are interested in joining!!

Thank you for your continued support of the music programs offered at Nute Middle High School!!!
